CITY FUN BUS

A wonderful addition to any children's play area

THREE SEAT RIDE

This colourful three seater ride enables the customer to sit comfortably and safely within the City Fun Bus. This three seat, coin operated children's ride will be a high earning addition to any retail environment.

PLUG AND PLAY

The City Fun Bus is equipped with the 'Plug & Play' feature which enables the ride to work perfectly when first used or connected.

SOUND EFFECT BUTTONS

Bright coloured sound effect buttons engage the audience and encourage them to interact with the magical ride. The ride encourages children and their friends to have lots of fun playing together.

FEATURES

This three seater ride is a non-video version of the very successful City Tour Bus. The ride offers realistic sound effects to give that added element of fun.

SELF COLOURED FIBREGLASS

The ride is manufactured in self coloured fibreglass and an attractive gel coating to give a durable, glossy finish.

AGE GROUP

The City Fun Bus is aimed at the 3-7 age range.

BENEFITS TO THE SITE OWNER

Installing a Photo-Me Kiddie Ride provides substantial revenue at no additional cost. Our rides encourage parents with young children into retail environments and therefore increase shopper footfall.

Rides can also help reduce the stress of shopping with young children. By creating a child friendly environment, parents are more likely to stay longer at retail as they combine shopping and entertainment.

A ride can also help to increase sales of associated merchandise within the store. This ride will be a colourful addition to any retail environment and will keep your customers coming back!
